What a difference a week makes! This picture, with the wind blowing, snow falling, and temperature of 28 degrees, was taken on Mission Avenue one week ago on April 20th. Yesterday, only one week later, the sun was shining, the grass was green, and the temperature was a balmy 74 above!

Council Meeting, Monday, April 26

Year Round Swimming Pool Money Bylaw Council gave the 1st reading to the Swimming Pool Money Bylaw for $250,000.00 which will be brought before the elector at the July 7th election. This bylaw has to be approved by the Local Authorities Board before coming back to Council for the 2nd and the final readings. If the Local Authorities Board does not approve, this bylaw will not come up on July 7th.

Appeal Against Development Control Officers Decision Mr. Baart, who attended to appeal against the decision of the Development Officer, has applied to operate a TV repair shop temporarily in his home in Sturgeon Heights, with the intention of moving to a store in the Sturgeon Heights shopping centre as soon as it is built. He pointed out to council that since advertising in the St. Albert Directory his business had grown tremendously. This case was difficult for council as previously they had decided not to new businesses be allowed in residential areas. The Development Control Officer's decision was not accepted by Council, but Mr. Baart must look for a store in a commercial area as soon as possible. Mayor deBruijn was willing to help Mr. Baart seek a solution to this problem.

Replotting Scheme in Mission Park Council referred this replotting scheme of Walker, Newby Ltd. to the Technical Advisory Committee for further study.

Air Photograph Council decided to spend $100. for an air picture of the Town of St. Albert.

Extra Money for Clubhouse Council approved an extra $150. for the new club house building on Grandville Avenue. The architects, Hemingway and Laubenthal requested it for arbourite counter tops in the kitchen.

Once again, council adjourned in record time - less than one hour!

ST. ALBERT KINSMEN RODEO 104

The St. Albert Kinsmen recently announced plans to hold a professional rodeo in St. Albert on June 18th and 19th. To be known as "Rodeo 104" in commemoration of the 104th anniversary of the founding of the Town of St. Albert, this event will take the place of "Civic Day" held for the past four years on the 1st Monday in August.

Rodeo 104 will feature five competitive events and has been approved by the Canadian Rodeo Cowboys Association. It is expected that St. Albert will draw some of the top cowboys from south of the border as well as from Canada. It is anticipated that the $1500.00 in prize money to be awarded will be more than doubled as the result of these entries.

Reg Kesler, of Rosemary, Alberta, for years one of Canada's top competitive riders and now a leading supplier of rodeo stock, has been contracted to supply all the stock for Rodeo 104. Good stock is a prime requisite for a top rodeo and Kesler was an excellent selection for this job, as, numbered amongst his herd is, Wanda Dee, judged the Champion Bucking Horse of 1964. Wanda Dee, who according to Kesler, will be here in preparation for the Calgary Stampede, was given this honor at the 1964 National Rodeo Finals in Los Angeles, where she was ridden along with many of Kesler's other top horses.

A Kinsmen spokesman advises that arrangements have been completed with West Coast Shows of Kelowna, B.C. to set up a complete Midway in conjunction with the rodeo. West Coast Shows are the largest Midway operators in Western Canada and travel the Alberta circuit extensively, stopping off at such places as Barrhead, Athabasca, Wainwright and the Ponoka Stampede. The practice for the past four years has been for some of the local service groups and community organizations to operate concessions as a means of raising funds and this year will be no

exception as plans are now being completed to include these groups on the Midway As an added attraction a "Miss Rodeo 104 contest is being held, with six St. Albert clubs each sponsoring one candidate This contest is presently underway and is quickly gaining momentum. All of the girls vying for this title are residents of St. Albert and district and, in addition to reigning as "Miss Rodeo 104", the winning girl will be awarded a full wardrobe. Support the candidate of your choice.

No event of this nature would be complete without a parade and Rodeo 104 will be no exception. Mr. Bob Forcand of the Kinsmen advises that they presently have a committee hard at work laying plans for a St. Albert and District Parade, to be held on Saturday June 19th. Mr. Forcand further advises that invitations to enter this parade have been sent out to organizations which participated in last years "Civic Day" Parade and any other interested groups are asked to phone Mr. Forcand at 599-8268

It is hoped that the people of St. Albert will enter into the spirit of the rodeo and give their wholehearted support to the Kinsmen and the other local contributing agencies. With the support of Alberta's largest town and our close proximity to Canada's fifth largest city there is no reason why St. Albert's Rodeo and Fair can not be second only to the famous Calgary Stampede, in Alberta. A civic project of this nature is long overdue in St. Albert and should go a long way in helping attain the recognition this town richly deserves in view of our historical heritage.

In coming editions of The Gazette it is planned to outline a brief history and some interesting points to look for in each of the five major events to be contested in Rodeo 104. Look for them!!

STURGEON VALLEY GOLF & COUNTRY CLUB

The Sturgeon Valley Club is situated on the banks of the Sturgeon River, 3 miles east of St. Albert, and was formed in 1960. The purpose of the club is to provide, a private golf club, within the financial means of the average family, by retaining a low yearly green fees and to avoid bothersome assessments. We fully realize that building a golf club in this manner will take a little longer however with a larger membership, we should be able to reach our objectives in the near future.

During the first years of operation, the club experienced some extreme setbacks, mainly due to weather conditions. However last season, we hired a full time club manager, and under his guidance, the course was vastly improved. A water system was installed on the front nine and a water lagoon was constructed between the 7th and 9th fairways. All the fairways were fertilized, and excellent results were soon noticable. The back nine was redesigned and many favourable comments were received.

Our present club house is a two story brick house, which has been fixed up as a temporary place for players to rest and enjoy some refreshments, prepared by Mrs. Tomash. A new club house is under consideration, for the future, however the members feel that getting the course in top notch playing condition is of the greatest importance right now.

As soon as the weather allows, a watering system will be installed on the back nine. Work will start on the rebuilding a new 18th green, tees will be reshaped and more improvements to existing greens is to be undertaken. Trees have been ordered and will be planted as soon as conditions are right. A weed spraying machine was purchased last year, so this should take care of our previous weed problems.

For the first time, this coming season will see our members registered with the Canadian Golf Association, a handicapping system is being set up and numerous club tournaments are being planned.

The present membership feel that we have the makings of a really fine golf club, handy to the residents of St. Albert and the northern section of Edmonton. Progress has been a little slower than anticipated, the main reason being a small membership. With the addition of another 100 or so members, we feel that we can have a first class golf course and a fine club house in the very near future.

TRI-O CONFERENCE

Opened by Mayor deBruijn, the first annual Teen Conference got underway last Tuesday afternoon, April 20. It was a great success, although more people were expected to attend. The interesting and informative speeches of Elmer Harrison, Ian Mathieson and Keith Hembroth showed the teens what other clubs are doing. They also seemed very interested in our teen club and its ideas. Dale Partridge CJCA disc-jockey, gave an especially inspiring talk which held the attention of all and received a standing ovation. His enthusiasm toward the teens spread to all of us.

The highlight of the conference was a workshop in which the teens themselves expressed their opinions and gave their ideas on problems existing in St. Albert The outcome of the workshop will form part of the future program for the Tri-O-Teen Club. Mr. Afflick did a commendable job of organizing the workshop and expressing his ideas. We would like to thank all those involved as discussion leaders. Refreshments were served, compliments of the Coca-Cola Company, Grandin Bakery and St. Albert Bakery. For his tremendous interest and help with this conference we would also like to extend a special thanks to Max Gibb, the St. Albert Recreation Director.

A dance was held at 8:30 the same night, completing a highly successful day. Music was provided by the "Reptiles". It turned out to be the most successful dance ever held in St. Albert. The Tri-O-Teens would like to thank those people who served as chaperons and to everyone who contributed both time and interest to make this, our first Teen Conference a great success.

ST. ALBERT ON STURGEON PLAYERS

Once again, the St. Albert on Sturgeon Players present for your entertainment, live Theatre.

They are presenting a three act comedy titled "Petey's Choice" by Fred Carmichael.

The play is the story of a chapter in the lives of the Lansing family. Peter Lansing is about to be appointed president of the College where he teaches, when suddenly a recording he made years ago as "Petey" becomes Number one on the Hit Parade. What happens when his wife and two teenage daughters decide to "organize" his life is really a riot. One complication after another arises and each one proves to be more uproarious than the last.

The play will be presented on the stage of our new Recreation Building on May 13 14. 15. Do plan to attend!

DRIVE

The Oil Service Charitable Organization will hold a Blitz of Used Clothing and Furniture Drive on May 8 between 9 - 12 noon.

These articles will be sold at their Next-to-New Shop and the proceeds in aid of the Diagnostic Travelling Clinic to assist crippled children in outlying districts. The wives of the Oil Industry have taken on this responsibility in answer to a real need and would appreciate any help in this cause.

CLUB NOTES

Burning Bush Circle Bake Sale on April 15 was a success.

Miss Keats, social worker for the Town of St. Albert, will be guest speaker at the next meeting, May 3, 8:15 p.m. in the home of Mrs. Ryks, 12 Gilmore Cres. Members are urged to attend.

"Bouquets for Books"

The residents of St. Albert will all benefit from the proceeds of the sale of spring bouquets which I.O.D.E. members will be asking you to order. Each bouquet, for which $2.00 is asked, will assist in the purchase of books for our town library.

This venture is becoming widely known and anticipated by everyone as a yearly canvass, in order to increase a growing library for a growing town.

Our "thank you" to the I.O.D.E. by order the again this year. Remember, these dates: April 29 and 30 Thursday and Friday evenings of this week - these districts will be canvassed: Sturgeon and Braeside, part of Grandin Park (Gresham, Geneva and Greenwich Crescents only)

May 3 and 4 Monday and Tuesday of next week: Mission and the remainder of Grandin Park.

Deliveries will be made May 8th, the day before Mother's Day!

Bouquets include tulips, stocks and spray mums.

Help the I.O.D.E. provide our library with more books!

PLEASE MOTHER ON MOTHER'S DAY!

St. Albert Guides & Brownies The annual sale of cookies by all companies will be held next Saturday, May 1st. There won't be any need to bake next week as your families enjoy these cookies brought to your door by our girls in uniform.

NOTICE

A section of this column will be set aside for activities promoted by our Teens for Teens. Please send in information which you wish published by Monday evening at the latest.

SOCIAL EVENTS

A father can show his love in many way

- and life insurance is one of them

For many a young man, true adult responsibility begins on the day he marries. Suddenly he is aware of his obligations to someone else. A wife and children need basic financial security. And so he begins to build his life insurance program.

Pre-emergence control of Crabgrass. (Digitaria Sanguinale & D. Ischaemun)

Crabgrass is on longer the threat that it was several years ago. Control can start in late winter or early spring by applying a pre-emergence killer. These materials prevent the young crabgrass plants from growing. However, they should be applied before crabgrass plants germinate in the spring. Another time that these materials can be applied is in the fall after crabgrass has been killed by frost.

Be sure to apply according to directions and do not leave any gaps.

Maintaining a fairly high cut will also tend to deter the growth of crabgrass. Also proper feeding will result in stronger permanent grass plants that have a better chance to compete with crabgrass.

Crabgrass is an annual that reseeds itself each year in summer; the seeds lying dormant through the winter and sprouting the following year when soil temperature warms to around 60 degrees; a single plant may produce 50,000 seeds; this means that any control, to be effective, must be almost perfect.

Chemicals have been found, which will kill crabgrass seedlings as they sprout, yet don't injure established bluegrass. Most crabgrass preventers are designed to be applied with lawn spreaders, the only accurate way for dispersal. An over application may injure the good grass.

The chief chemical used now-a-days to eliminate growing crabgrass is a "Methyl Arsonate" identified by the code letters: DSMA or AMA. This herbicide is absorbed through the leaves so that dry materials are best applied when there is dew on the grass, causing the granules to stick. A spray formulation about one week apart is needed. It is manufactured as: Sodar; Weedone L-850; Artox; Di-Met and Crab-E-Rad.

Some forms are combined with 2,4-D for multiple control of both Crabgrass and Broad-leaved weeds.

Presentation to Rev. Father Doerfler

Monday evening in the Parish Hall, Mrs. B. Bourgeois, President of the Catholic Women's League, immediately after the installation of this year's executive, welcomed Reverend Father Doerfler, leaving St. Albert to become Pastor of St. Joachim's Parish, Edmonton, Reverend Father Lefrance, his successor, and members. She then introduced Mrs. Mel. Rose, who spoke on behalf of the C.W.L. expressing our deep appreciation for the spiritual guidance, generosity, sincere interest and devotion which Father Doerfler showed at all times during the 4 years as our Pastor. Mrs. Rose also wished his success in his new post and asked him to accept a Spiritual Bouquet designed by the Sisters of the Precious Blood, and a gift of a portable TV to remind him of his Parishioners who would long remember him. In accepting, Father spoke of the satisfaction of service as our Pastor, of the immense growth of the Parish and of the excellent cooperation which he always received in securing Father Lefrance that he will endeavour the same measure of cooperation in the future. Father Lefrance replied that he was most grateful to be present on this occasion and that he would like to thank the ladies of the C.W.L. for the Easter

UNITED CHURCH

On Friday, April 30th at 8 p.m. there will be a Spring Dessert Social in the Lower Hall. Tea will be served. Members and friends are invited to come to the Bazaar for their dessert, to patronize the bazaar and to share in an evening of fine fellowship.

On Sunday, May 2, the regular church school, nursery, tiny tot programs will be in operation. The 11 a.m. Morning Service will be shortened to allow for a brief Congregational Meeting. The regular monthly Communion Service will follow. At the 7:30 p.m. Evening Service, the winter series on the Creed will be completed. The theme will be "I believe ...in the resurrection of the body and the life everlasting." A service of Baptism will be held. Mrs. Hole will be at the organ. This is the last evening service of the season. Everyone is welcome.
